2005-07 Statutory Language Proposal

DIVISION:	Lands
BUREAU:	Parks
ISSUE/TOPIC:	ATV Trail Aids in State Parks
PROPOSED CHANGE:	Eliminate appropriation 20.370 1(mr) which contains \$100,000 from the ATV account to be used for trail aids.
EXPLANATORY NOTE:	The Department has requested a reduction of \$100,000 each year of the biennium from the ATV Account of the Conservation Fund for state park trail maintenance. In the 2001-03 biennial budget, the Legislature directed \$100,000 per year to state park trail maintenance in appropriation s. 20.370 (1)(mr) with no specific reference to using this money to support ATV recreation. Currently, trails that accommodate ATVs on state property are provided with maintenance, rehabilitation and development funds from the ATV program via a separate appropriation (s. 20.370 (1)(ms)). This amount was increased in 2004 by \$165,000 under WI Act 251. There are insufficient park trails that allow ATV uses to justify the additional \$100,000 of ATV funding in state parks.
DESIRED EFFECTIVE DATE:	Budget Passage

PARKS AND RECREATION ✓

in
Current law appropriates funding for maintenance of all trails in state parks and state forests located in the southern part of the state from the registration fees collected by DNR for registering all-terrain vehicles. This bill repeals this appropriation.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 20.370 (1) (mr) of the statutes is repealed. ✓

✓
****NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.
